

What are you without racism? are you
any good? are you still strong? still smart?

If you can only be tall because somebody's
on their knees, then you have a serious
problem

And my feeling is white people, have
a very, very serious problem

And THEY should start thinking about
what THEY can do about it

Take me out of it

What are you without racism?
are you any good? are
you still strong? still smart?

If you can only be tall because
somebody's on their knees,
then you have a serious
problem

And my feeling is white
people, have a very, very
